

As part of our aid activities in Beirut, we also try to carry out distribution of food packages and other necessary articles, as well as provide material support to families in need. In the period of October- December 2020 we spent \$ **3,150** on the following activities:

#### 1. Food packages:

- 30 packages and 1000 masks were ordered from the organization **Together For The Family**, which takes care of Syrian refugees in Zahle. By purchasing the masks, we financially supported refugees living in very bad conditions  
- \$ 1,000

- 20 packages were allocated to support the families of our employees and volunteers from the Church of St. Michael, who are devoted to serve people in need, but also having financial problems - \$ 340

- 5 packages were distributed to the families in Ayn el Romenieh - \$ 85

## 2. Distribution of the electrical heaters:

- 100 electric heaters were purchased in collaboration with **Redemptoris Mater Liban** and distributed to families in need in the Mar Mikhael area, cost: \$ 1,025

## 3. Other activities:

- Financial support to one Ayn Romenieh's family to cover school fees for children - \$ 200
- Support for local NGOs helping refugees through Dominika, a Polish woman living in Beirut - stomach surgery, medical aid and food - 500 USD
